Dear Minister, *Frances*

Enclosed you will find copies of a letter and supporting documents from my constituent, Mr. Chris Brown, who has been in correspondence with various officials in representing the position (on environmental sensitivities) of the Allergy and Environmental Health Association, Ottawa Branch, of which he is President.

My constituency office staff and I have met with Mr. Brown on several occasions. He has asked me to bring his concerns to your attention.

I thank you for your attention in this matter.

Sincerely,

*Gilles Morin*
